Basic Term Life and Accidental Death and Dismemberment (AD&D) Insurance

Your employer provides you with Basic Term Life and AD&D insurance coverage.

Accidental Death & Dismemberment (AD&D) coverage complements your Basic Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This valuable coverage benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, third degree burn, or brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount.

Covered Losses	Percent of Full Amount
Life	100% of Full Amount
Hand	50% of Full Amount
Foot	50% of Full Amount
Arm	75% of Full Amount
Leg	75% of Full Amount
Sight of one eye	50% of Full Amount
Thumb & index finger of same hand	25% of Full Amount
Speech & hearing	100% of Full Amount
Speech or hearing	50% of Full Amount
Paralysis of both arms and both legs	100% of Full Amount
Paralysis of both legs	50% of Full Amount
Paralysis of the arm & leg on either side of the body	50% of Full Amount
Paralysis of one arm or leg	25% of Full Amount
Brain Damage	100% of Full Amount

Amounts not accelerated will continue under your employer's plan for as long as you remain eligible per the certificate requirements and the group policy remains in effect.

The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable tax treatment under Section 101(g) of the Internal Revenue Code (26 U.S.C. Sec 101(g)).¹⁰

Accelerated Benefits Option is not the same as long term care insurance (LTC). LTC provides nursing home care, home-health care, personal or adult day care for individuals above age 65 or with chronic or disabling conditions that require constant supervision.

Conversion

For protection after your coverage terminates

You can generally convert your group term life insurance benefits to an individual whole life insurance policy if your coverage terminates in whole or in part due to your retirement, termination of employment, or change in employee class. Waiver of Premiums for Total Disability (Continued Protection)

Offering continued coverage when you need it most

If you become Totally Disabled, you may qualify to continue certain insurance. You may also be eligible for waiver of your basic life and personal AD&D insurance premium until you reach age 65, die, or recover from your disability, whichever is sooner.

Total Disability or Totally Disabled means you are unable to do your job and any other job for which you are fit by education, training or experience due to injury or sickness. The Total Disability must begin before age 60, and your waiver will begin after you have satisfied a 180 day waiting period of continuous disability. The waiver of premium will end when you turn age 65, die, or recover. Please note that this benefit is only available after you have participated in the supplemental/optional term life plan for 12 months and it is not available on dependent coverage.

If you return to work after completing part or all of the 180 days waiting period and later cease active work due to the same or a related Total Disability while your coverage is being continued, you will be given credit for the prior partial or total completion of the waiting period and it will be considered a continuation of the original Total Disability. This means that if you completed the waiting period of continuous disability in the original period of disability, you will not need to complete another one.

- You must notify MetLife of the later period of cessation of active work within 12 months of when that period began.
- The amount of insurance being continued will be the same as during the original period of disability, subject to any reductions in coverage amount due to age.
