About the Total Control Account®

A convenient place to hold the proceeds from your claim while you decide what to do with the money.

How the account works

The Total Control Account (TCA) is a draft account that works like a checking account:

- When your account is open, MetLife¹ will send you a package which includes additional details about the TCA. We pay the full amount owed to you by placing your proceeds into the TCA and providing you a book of drafts. You can use the drafts like you would use checks.
- You can use a single draft to access the entire proceeds or several drafts for smaller amounts (as little as \$250). There are no limits on the number of drafts you can write. Processing time is similar to check processing.
- You also may conveniently use your TCA as a source of funds to pay your bills online or by phone (no minimum payment amount), and link to your favorite mobile payment application.
- You earn interest on the money in your account from the day your account is opened.
- We'll send you an account statement each month when there is activity in your account. If you have no activity, we'll send you a statement once every three months.
- You can name a beneficiary for your account. We'll include a beneficiary form in the package we send you when we open your account.

Interest rates and guarantees

The interest rate on your account is set weekly, and will always be the greater of the guaranteed rate stated in your TCA package, or the rate established by one of two indices monitored by MetLife. We calculate interest daily and compound it, and add it to your account monthly, so you earn interest on your interest. The interest earnings generally are taxable, so you should speak with your tax advisor.

No monthly maintenance fees

There are no monthly maintenance or service fees on your TCA, no charges for making withdrawals or writing drafts, and no cost for ordering additional drafts. You may be charged for special services or an overdrawn TCA, and the current fees (*subject to change*) for those services are: draft copy \$2; stop payment \$10; wire transfer \$10; overdrawn TCA \$15; overnight delivery service \$25.

Other important information

- **If you do not want a TCA, you may request a check by writing "check" beneath your signature on the attached claim form.**
- Your Total Control Account is backed by the financial strength of MetLife. The assets backing the funds are held in MetLife's general account and are subject to MetLife's creditors. In addition, while the funds in your account are not insured by the FDIC, they are guaranteed by your state insurance guarantee association. The coverage limits vary by state. Please contact the National Organization of Life and Health Insurance Guaranty Associations (www.NOLHGA.com or 703-481-5206) to learn more. FOR FURTHER INFORMATION, PLEASE CONTACT YOUR STATE DEPARTMENT OF INSURANCE.
- If there is no activity on your account for a period of time (*typically three years, but this may vary by state*), state regulations may require that we contact you at the address we have on file. If we can not reach you, we may be required to close your account and transfer the funds to the state.
- We may limit or suspend your access to the funds in your account if we suspect fraud or if there was an error in opening your account.
- We use the services of The Bank of New York Mellon, 701 Market Street, Philadelphia, PA 19106, for Total Control Account recordkeeping and draft clearing.

- You may move all or a portion of your Account balance (*subject to applicable minimums*) into any other settlement option for which you then qualify.
- A TCA generally is not available if your claim is less than \$5,000, you reside in a foreign country, or if the claimant is a corporation or similar entity.
- We may receive investment earnings from operating the Total Control Account. The performance results of any investments we make do not affect the interest rate we pay you.
- To learn more about TCA, please call us at 800-638-7283 or write us at Metropolitan Life Insurance Company, Total Control Account, PO Box 6300, Scranton, PA 18505-6300.

¹*“MetLife” means Metropolitan Life Insurance Company or the MetLife affiliate that issued the underlying policy. Total Control Account® is a registered service mark of Metropolitan Life Insurance Company.*

Metlife Estate Resolution ServicesSM (ERS)

If you're involved in settling the estate - as a beneficiary, executor or administrator - this service will help.

It can be challenging to settle an estate. That's why the MetLife policy covering this life insurance claim includes a valuable benefit called MetLife Estate Resolution ServicesSM (ERS), provided by MetLife Legal Plans¹, the nation's largest provider of group legal plans. This unique benefit provides legal services and support to probate the estate of the insured participant or the participant's spouse/domestic partner.

There is no additional cost for attorney's fees, no co-payment, and no claim forms to fill out when a participating MetLife Legal Plans attorney is used.

Legal resources when you need them most

If you're the **Executor** or **Administrator** of the estate, ERS will help you with the tasks required during probate. Some of these responsibilities are described on the next page.

If you're a **beneficiary** of this life insurance policy, you can speak with an attorney to discuss general questions about the probate process. Help is available to all beneficiaries, as well as to representatives of minor children who are beneficiaries.

What is probate?

Probate is the legal process used to settle an estate and distribute property and assets to the heirs. When someone dies and leaves a will, the will is "probated" to prove that it's valid.

Who is the Executor?

The Executor is named in the will to manage the probate process, pay outstanding debts and distribute property and assets as directed by the will.

Who is the Administrator?

The Administrator is an individual appointed by the probate court to settle the estate of a person who dies without a will, or "intestate." When probate is complete, the Administrator must distribute property and assets according to the "intestacy" laws of the state.

What's included

- Face-to-face or telephone consultations to discuss the probate process
- Preparation of required forms and documents
- Legal representation in probate court
- Assistance with letters, emails or other communications needed to transfer non-probate property, such as joint bank accounts, life insurance proceeds, etc.
- Associated tax filings

Getting started

1. Gathering important information

- The insured participant's Social Security number
- The name of the employer or group policyholder through which the insured participant obtained coverage
- The Customer or Experience Number

1. Call MetLife Legal Plans

Call MetLife Legal Plans at , Monday through Friday, between 8:00 a.m. and 7:00 p.m. Eastern Time. Tell them you'd like to use MetLife . They'll ask for the information you gathered, give you a case number and provide the contact information for local MetLife Legal Plans attorneys in your area.

2. Contact the MetLife Legal Plans Attorney

Call the attorney to schedule an appointment and provide your case number. The attorney will provide the covered services at no cost to you.

Working with non-MetLife Legal Plans attorneys

If you prefer, you may use an out-of-network attorney. Simply call MetLife Legal Plans at and let them know. They will send you the Out of Network Attorney Fee Schedule and a claim form you can submit to request reimbursement. The benefit amount may not cover all of the attorney's fees and expenses, and MetLife will not pay more than the attorney's actual charges for the covered services. If your attorney's fees are higher than what the Out of Network Attorney Fee Schedule allows, the estate is responsible for paying the difference.

Services not covered by ERS

- Matters where there's a conflict of interest between the Executor, Administrator, any beneficiary or heir, and the estate
- Legal disputes with the group policyholder, employer, plan attorneys, MetLife and any of its affiliates
- Disagreements or legal disputes about statutory benefits such as worker's compensation or unemployment compensation
- Will contests or litigation outside Probate court
- Appeals
- Court costs, filing fees, recording fees, transcripts, witness fees, expenses to a third party, judgments or fines
- Frivolous or unethical matters.

What does the Executor or Administrator do?

Duties vary by state, but usually include:

- *Filing a legal petition with the probate court* – officially requesting that the Executor named in the will, (*or an Administrator*), be allowed to manage the probate process.
- *Sending out death notifications* – letting other organizations like Social Security, Civil Services and Veterans Administration know that the person has died.
- *Collecting and listing the deceased's assets* – gathering and making a list of what the deceased owned, such as a house, car, bank account balances, insurance policies, investments, etc.
- *Making sure any claims against the estate are valid* – investigating any claims by companies or individuals that the deceased owed money to determine validity
